

Greater Milwaukee Literacy Coalition

Scholarship for Higher Education

Dear Friend,

The Greater Milwaukee Literacy Coalition (GMLC) is a cooperative organization designed to initiate, promote, and strengthen adult literacy throughout southeastern Wisconsin.

The GMLC is composed of approximately 30 literacy service organizations, which provide basic skills education to over 15,000 adults at more than 100 locations.

As a part of the spectrum of services designed to enhance adult basic education activities, in 1995 the Coalition established the Greater Milwaukee Literacy Coalition Scholarship for Higher Education. Since then, thirty college bound GED/HSED graduates have been awarded scholarships, which have helped them defray the cost of a college education.

Any contribution to assist us with our 2006/2007 scholarship fundraising drive would be greatly appreciated. The GMLC is a 501.3C organization; therefore, your contribution is tax deductible and will be used solely for the scholarship fund.

We look forward to your support in this effort. Please refer to our pledge card for a donation.

Sincerely,

Lana Kowalczyk
Chairperson
